BDA AVAILABILITY - SATURDAY 11 NOVEMBER 2017

Members are referred to the interruptive broadcast message communicated on BDA, advising members that the BDA Mainframe application will not be available on Saturday, 11 November 2017 due to a scheduled maintenance.

We sincerely apologise for the short notice and if any member has concerns on BDA not being available this Saturday, please can you notify Customer Support immediately.

We thank you for your co-operation.

Markets/ Service (s):

BDA

Environment(s):

Production
