17 November 2017

INTERNATIONAL BENCHMARK INDEX DATA PRODUCTS - REISSUE OF FILES DISSEMINATED 13 AND 14 NOVEMBER 2017

The files for 13 and 14 November 2017 have been reissued to reflect the correct investability weighting of Campbell Soup (Sedol 2162845).

New files were recreated for the below affected Indices:

Index Code	Index Long Name
J240	International Benchmark Index
J241	International Benchmark Index - Resources
J242	International Benchmark Index - Financials
J243	International Benchmark Index - Industrials

Clients are requested to re-download the II.ZIP files for 13 and 14 November 2017.

The JSE apologises for the inconvenience caused.
