JSE INTERNAL TEST WEEKEND 2 DECEMBER 2017

The JSE has planned routine testing on Saturday, 2 December 2017. This will affect all Equity Market member firms as well as Live Information Subscribers.

The Equity Market trading system will be started up on **Saturday, 2 December 2017**, for the duration of the day, so that the JSE can prove the success of the change. The JSE does **not** require clients to participate in this change. However, clients must ensure that their production systems are **shut down** prior to the systems start-up (preferably the evening before the scheduled change), to ensure that they do not receive and process any test data.

Market/s:

JSE Equity Market

Environment(s):

Production

Additional Information:
