ALERT ABOUT INCORRECT STATISTICS IN END OF DAY EQUITY DATA FILES FOR TUESDAY, 3 MARCH 2015

The JSE has detected this morning that due to the severe technical problems experienced last night, there is very strong likelihood unfortunately that some of the statistics provided via the End of Day Early and Late data records at night are incorrect.

The JSE is urgently conducting an impact analysis to understand the extent of the problem, and as soon as more information is known, this will be provided in a follow up notice, as well as details around providing corrected data.

The JSE apologizes for the impact to your operations and to your clients.
