Service Hotline

Equity Market Trading and Information System – Participant Test Weekend 16 March 2013

As per JSE Service Hotline 19/13 issued 18 February 2013, clients are reminded that this coming weekend, Saturday, 16 March 2013, has been made available as a Participant Test Weekend (PTW) in the production environment. During this test the JSE Equity Market Trading and Information System will be brought up and test data will be published.

All clients **NOT** participating in the PTW are requested to ensure that their Equity Market Trading and Information **systems are shut down** during the weekend to ensure that they **do not receive and process any test messages** published during the test.

Please contact Customer Support on +27 11 520 7777 for any further queries.

Service:

- Equity Market Trading and Information Solution
