Missing closing data for FTSE/JSE J251, J331 and J330 indices

Please take note of a technical issue which resulted in closing data not being populated for a few of the Indices i.e. J251, J331, J330.

The following Indices are now populated with the missing closing data:

- J331 FTSE/JSE Growth index
- J330 FTSE/JSE value Index
- J251 FTSE/JSE Preference Share index

Please note that the I file and the affected record types have been corrected and clients are able to download the record types. Historical data is also available on request.

The JSE apologises for the inconvenience caused.
