Equity Market – Exchange Test Weekends (ETWs) 1-2 March and 8-9 March 2014

Clients are advised that these weekends **1 – 2 March 2014** as well as next weekend **8 – 9 March 2014** are Exchange Test Weekends (ETWs).

In preparation for the Colocation go live in May; the JSE will be conducting some internal testing in the Equity Market production environment. During this testing, the system will be brought up and **test data may be published** to clients. Testing is scheduled as follows:-

Saturday, 1 and 8 March 2014	05h00 - 00h00
Sunday, 2 and 9 March 2014	00h00 - 17h00

All clients are requested to ensure that their Equity Market Trading and Information production **systems are shut down** during these weekends to ensure that they **do not receive and process any test messages** published during these ETWs.
