## TERMINATION OF INDICES – EFFECTIVE 2 MAY 2017

Clients are advised of the termination of the below Indices, effective 2 May 2017 as these Indices will not be produced.

Index Code	Index Name
J230	FTSE/JSE Development Capital Index
J231	FTSE/JSE Venture Capital Index
J255	FTSE/Property Unit Trust Cos (PUTS) Index
J256	FTSE/JSE Property Loan Stock (PLS) Index

Please note that the Secondary Markets Indices J230 and J231 have been discontinued and no data will be provided from 2 May 2017. The reason for discontinuing these Indices is that each Index consists of one constituent and a decision was taken that they are no longer relevant as benchmarks.

The JSE stopped providing data for J255 in 2015 and J256 in 2014 due to the introduction of the Real Estate Investment Trust (REIT) structure, companies have since converted to the new structure resulting in the removal of constituents from these Indices.

Should you have any queries about this announcement, please contact our Client Service Centre team as per the listed contact details.
