Equity Derivatives Market – Feedback on Technical Issue experienced on the 17th March 2014

The JSE experienced a technical issue regarding the end of day ED.zip file where records types DED02 and MED01 were incorrectly populated with negative values.

The issue has been resolved and new file has been disseminated for the 17th March 2014.

The JSE would like to apologise to all market participants that were affected by this technical issue.

If you have any queries, please contact customersupport@jse.co.za
