13 April 2016

JSE INTEGRATED TRADING AND CLEARING (ITaC) TECHNICAL WORKING GROUP (TWG), 21 April 2016

Clients are invited to attend the ITaC Technical Working Group (TWG) session for 2016 being held on **Thursday, 21 April 2016**. It is important that clients ensure they have the right level of representation at the session.

Below is the proposed agenda:

1. Clearing Services Documentation
 - An overview will be provided of the Services Documentation structure and content that will be published by the JSE for the Clearing and Deal Management service/interfaces.
 - In addition, a high-level walkthrough will be provided of the technical application program interface (API) specifications
2. Commissions solution
 - A high-level overview will be provided of the commissions solution that the JSE will offer to clients
3. Software Provider Showcase day
 - JSE to outline structure and approach being considered for the Software Provider showcase event to be held at the JSE
