ACCOUNT TRANSFERS - SWIFT MESSAGE INDICATOR

Members are advised that with effect from 10 April 2017 the SWIFT MESSAGES Y/N flag on the ATREC screen (ACCOUNT TRANSFER RECEIVED) **will allow the Receiving broker to set it to 'N'**.

If the Delivering Broker sets the SWIFT MESSAGES field to 'N' the receiving broker will be unable to access the field and it will remain as 'N'.

It is recommended that the messages are NOT used at the moment. A change will be going live shortly that will ensure that the Swift messages are distributed correctly.
