Interest Rates and Currency Derivatives - Update technical issue experienced on 14 April 2014

Dear Stakeholder,

The JSE would like to provide details regarding the outage experienced on the morning of 14 April 2014 on the Interest Rates and Currency Derivatives market.

At approximately 09h20 anomalies on the trading engine database were detected. The market was placed into a halted state at 09h38 while the JSE investigated the root cause.

Once the technical database issues were resolved, the orderly resumption of trading was achieved and the market re-opened at 10h00.

The JSE will be implementing preventative measures to avoid any recurrences and would like to apologise to all market participants that were affected by this technical failure. Please feel free to contact Derivative_Info@jse.co.za.
