EQUITY NON RESIDENT STATISTICS REPORT DELAYS

The purpose of this notification is to advise you of a delay in the dissemination of the equity non-resident statistics reports for the day, week and month ending 29 May 2015.

- The Non-Resident reports have experienced delays in dissemination over the last three successive month-end periods.
- The delays are due to the technical difficulties encountered when aggregating and computing on large volumes of data.
- The amount of data used has been steadily increasing and we have been actively searching for better solutions in order to address this problem.

The JSE will continue to investigate alternatives and will endeavour to solve the issue as soon as possible.

We sincerely apologise for the inconvenience that the delays in dissemination of the data may have caused.
