## JSE INTERNAL TESTING – 30 APRIL 2016

Clients are advised that the JSE will be conducting internal testing in the Equity Market.

During this test the JSE Equity Market Trading and Information Systems will be brought up and test data will be published.

All Equity Market clients are requested to ensure that their Equity Market Trading and Information **systems are shut down** during the weekend to ensure that they **do not receive and process any test messages** published during the test.

### Market / Service:

JSE Equity Market

### Environment(s):

Production

### Additional Information:
