## SERVICE HOTLINE

**REFERENCE NUMBER:** 80/2015

## POWER CONTINGENCIES SURVEY

In the event of a power grid failure, the JSE would like to ascertain what capabilities exist for each market participant, across all JSE Markets.

In order to confirm the overall readiness of the Financial Sector, the JSE has prepared a survey and requires each JSE Member and Clearing Member to complete it.

The link to the survey will be sent, via email, to each Compliance Officer. They in turn are requested to either complete the survey themselves or to ensure that it is completed by the relevant business continuity/disaster recovery specialist.

The survey should be completed by no later than **close of business on Friday, 26 June 2015.**

Any queries relating to the content of this Service Hotline or the survey can be directed to [BusinessContinuity@jse.co.za](mailto:BusinessContinuity@jse.co.za)
