### UPDATE ON IMPACT OF THE MONDI LTD CLOSING PRICE RESTATEMENT FOR 30 APRIL 2018

The JSE notified customers on 2 May 2018 (Service Hotline 78/2018) about the impact of the restated closing price adjustment for Mondi Ltd that resulted in an impact to Equity, Indices and Equity Derivatives statistical values and associated Non Live Market Data products.

Due to technical verifications still in progress and mitigation of impact to tonight's production routines, the impacted Market Data files will unfortunately not be reissued on 3 May 2018 as previously advised.

The reissued files will be placed in the clients' IDP folders on Friday, 4 May 2018.

The JSE apologises for the impact to your operations and to the inconvenience to your data users.
