DATA CORRECTION FOR ALTX INDEX J232 FOR 29 APRIL 2016

The JSE would like to notify Indices subscribers specifically AltX index data users specifically that the JSE has had to re-issue the Valuations data records for the FTSE/JSE AltX index J232 due to an updated XD Adjustment figure for the index.

Unfortunately, the affected record cannot be provided in isolation so the entire I.Zip file has been recreated for the day affected. There is no impact to data subscribers that do not use AltX index data.

We apologise for the impact to the affected data subscribers and their clients.
