## SERVICE HOTLINE

REFERENCE NUMBER: 91/2016

16 May 2016

## BDA SYSTEM AVAILABILITY DURING T+3 PHASE 3 IMPLEMENTATION

As previously communicated, the JSE is planning to implement phase 3 of the T+3 project on the week-end of 9 July, effective from Monday 11 July 2016.

### BDA Migration week availability

The BDA online system will be available until 8pm each business day of the migration week (11 - 15 July 2016).

### BDA Client Services Centre Support

The Client Services Centre will be available from 6am to 8pm each business day of the migration week (11 - 15 July 2016).

### BDA on-line availability over deployment period

The BDA online system will not be available on Saturday 9 and Sunday 10 July 2016 due to the scheduled changes.

### Other services impacted

During the go-live week-end, although BDA on-line will not be available, JSE clients will still be able to download their BDA dissemination files and BDA reports.

### Post the go-live week-end

The JSE will be performing various BDA and ECS on-line and batch checks to ensure all processing is correct for the period 11 July to 15 July 2016.

As a result of these stoppages and checks, there is a possibility that the following services may be impacted:

- BDA Members dissemination
- BDA Institutional dissemination
- BDA on-line system availability

### Market / Service:

T+3 Phase 3 Implementation

### Environment(s):

BDA and ECS Production

### Additional Information:

If you have any queries about this announcement, please contact Client Services Centre on +27 11 520 7777 or [customersupport@jse.co.za](mailto:customersupport@jse.co.za)

The JSE will be following the standard after hours support communication in the event that any of the above services are impacted or delayed.

We thank you for your understanding and co-operation.
