JSE Internal Disaster Recovery (DR) Test on 24 to 25 May 2014

Clients are advised that the JSE will be conducting an internal JSE Disaster Recovery test in the production environment on 24 and 25 May 2014. During this test the JSE trading systems for all markets will be brought up and test data may be published to clients.

All clients who directly connect to the JSE are requested to ensure that their production **systems are shut down** during the weekend to ensure that they **do not receive and process any test messages published during the test**.

In addition please note the following:

- The BDA Online system will not be available to Equity members on Saturday, 24 May 2014;
- End of Day Data subscribers are advised to please download their end of day files prior to **08h00** on Saturday, 24 May 2014; alternatively files can be downloaded on Sunday afternoon, 25 May 2014 from **14h00**.

Should you experience any problems over the weekend, please contact **Customer Support** on the after-hours number: **+27 11 520 7900 or +27 83 611 9315**.

Thank you for your understanding and co-operation.
