SENS ANNOUNCEMENTS DURING MARKET FACING DRESS REHEARSAL 20 JUNE 2020

Clients are referred to Service Hotline 148/2020 issued on 15 June 2020 to remind market participants of the upcoming Market Facing Dress Rehearsals for the JSE Trading and Information System Upgrade taking place in the production environment on Saturday, 20 June 2020.

This service hotline serves to inform clients who subscribe to SENS Data Services that test SENS announcements will be published as part of the dress rehearsal via the real-time Regulatory News Gateway.

For SENS subscribers who will not be participating in tomorrow's dress rehearsal, kindly ensure that your production systems are switched off (preferably tonight before the scheduled change) to ensure that you do not receive and process any test SENS announcements.
