### ENHANCEMENT TO FTSE JSE FIXED INCOME INDICES DATA PRODUCTS

Based on client requests, and which will provide you with more value, an additional “NumIssues” field will be added as the last field to the daily Valuations data files for the **FTSE/JSE All Bond Index (ALBI)** and the **FTSE/JSE Inflation-Linked Index (CILI)** index data products.

The “NumIssues” field represents the number of constituents in each index as well as the sub-indices of the ALBI and CILI Indices.

The files that will be enhanced are as follows

- FTSE/JSE All Bond Index (ALBI) - **FJALBIvYYYYMMDD.csv**
- FTSE/JSE Inflation-Linked Index (CILI) - **FJCILIVYYYYMMDD.csv**

To ease your effort to handle the new field, the revised product specifications document (tracked) and two test files have been included with this product change hotline.

The changes will come into effect on **Thursday, 9 February 2023**.
