CLOSING PRICE ERROR 31 JANUARY 2022

Closing prices for the Equity Derivatives and Currency Derivatives Markets were incorrectly published for Monday, 31 January 2022 resulting in the near ALSI future instrument prompting a volatility auction due to old reference prices.

We assure market participants that the trading engine, JSE systems and products have been updated with the correct values and attached document reflects the correct closing prices for the various instruments.

Please refer all related queries to CustomerSupport@jse.co.za for assistance.
