## SERVICE HOTLINE

**REFERENCE NUMBER: 037/2021**

16 February 2021

## JSE CLOSING PRICE CROSS (CPX) SESSION EXTENSION

Following the initial change on 1 February 2021, the JSE has received further feedback from market participants that the Closing Price Publication (CPP) with a duration of 1 minute is too short. After market consultations, the JSE has lengthened **CPP** to a **2-minute session** and thereby making the **Closing Price Cross (CPX)** an **8-minute** session.

### Current Configuration (as at Friday, 12 February 2021)

CPP: 1 min (17:00 – 17:01)

CPX: 9 min (17:01 – 17:10)

### New Configuration (effective Monday, 15 February 2021)

CPP: 2 min (17:00 – 17:02)

CPX: 8 min (17:02 – 17:10)

We are currently reviewing the time set for CPP and CPX sessions. We will update and consult market participants once completed with the review process.

### Market / Service:

JSE Equity Market

### Environment:

Customer Test Service  
Production
