

**SERVICE HOTLINE**

**REFERENCE NUMBER: 040/2021**

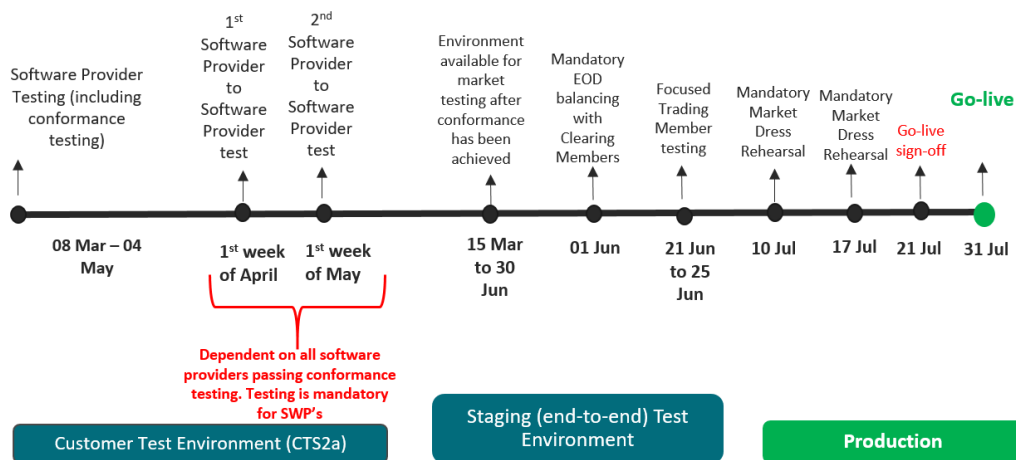

19 February 2021

**REAL-TIME CLEARING (RTC) 1.34 UPGRADE – UPCOMING RELEASE**

This Service Hotline relates to [Service Hotline 013/2021](#) sent on 20 January 2021 and serves to communicate the timeline and testing requirements for the upcoming Real-Time Clearing system upgrade.

**This upgrade contains significant updates to the commission functionality and therefore requires mandatory and extensive market testing across all participants, software providers and systems.**

We have engaged software providers regarding the timelines and requirements. Market participants are required to engage their software providers to cater for any functional requirements related to this clearing system upgrade.

**Markets / Services:**

**JSE Derivatives Markets:**

- Equity Derivatives Market
- Currency Derivatives Market

**Environment(s):**

- Customer Test Service (CTS)
- Staging (ETE)
- Production

**Additional Information:**

If you have any queries about this announcement, please contact the Client Service Centre (CSC) on +27 11 520 7777 or email [CustomerSupport@jse.co.za](mailto:CustomerSupport@jse.co.za)

**Issued By:**

Matthias Kempgen  
Head - Derivatives Clearing  
Operations  
Post-Trade Services

Software providers are reminded that they are required to conform their software with the JSE before they will be allowed to participate in the scheduled tests.

Technical specifications documents are available for download here:
