### JSE EXCHANGE TEST WEEKEND 6 APRIL 2024

The JSE has planned an Exchange Test Weekend on Saturday, 6 April 2024. This will affect all member firms for JSE EQM, EDM, FXM and Live Information Subscribers to these markets.

As part of the Exchange Test Weekend, the JSE will be commencing its client facing Firewall Rejuvenation Project as communicated in the [Service Hotline 033/2024](#) published on 1 March 2024.

The JSE will bring up the Trading System on **Saturday, 6 April 2024** from 12:00 to 17:00. Clients must ensure that their production systems are **shut down** prior to the systems start-up (preferably the evening before the scheduled change), to ensure that they do not receive and process any test data.

The JSE appreciates your co-operation in this regard.
