MATCHED PRINCIPAL TRADE TYPE ADDITION TO EQUITY MARKET

With reference to [JSE Service Hotline 044/2022](#) and [Market Notice 180/2022A](#) and [Market Notice 180/2022B](#), Market Participants are hereby informed of a **mandatory change** relating to a new trade type Matched Principal (MP) on the Equity Market. The new trade type will be available in the CTS Release (2A) environment effective 25 April 2022. The Go-Live of this trade type is earmarked for the same day as version 7.4 and remains 28 May 2022 on the PTW and effective **30 May 2022** in the Production System.

Updated versions of the Trading API specifications are also available under this “Next Functional Release” section.

For more details pertaining to the release, please refer to the JSE Trading Release Document available on the JSE website under “Next Functional Release” using the following link:
