### JSE MAINFRAME MIGRATION (BDA)

In [Service Hotline 062/2021](#) issued 12 March 2021, we committed to providing you with an alternative go-live date for the Mainframe Migration during this week. We are busy planning everything around the 10 April 2021, however it is highly dependent on the approval from IBM board being done in time.

We do not want to provide this committed date to the market unless we are 100% sure.

This communication is a holding statement and we plan to further communicate a committed date next week.
