AVAILABILITY OF EXTERNAL TEST ENVIRONMENT FOR THE JSE INTEREST RATE MARKET

Clients are advised that the External Test Environment for the JSE Interest Rate Market (IP Address: 196.216.153.101) will not be available on Friday, 9 April 2021 due to technical maintenance and application bug fixes that are being applied to the environment. The environment will be available for use from Monday, 12 April 2021.

The purpose of this is to implement non-API impacting fixes onto the Interest Rate Market that will ensure stability of the test service. Test user accounts will not be impacted.
