IMPORTANT - INTERNAL DISASTER RECOVERY AND BUSINESS CONTINUITY PLANNED TEST - 15 AND 16 MAY 2021

Clients are advised that the JSE will be conducting an internal disaster recovery and business continuity test in the production environment on **15 and 16 May 2021**. During this test the JSE trading and information systems for all markets will be brought up and test data may be published to clients.

All clients who connect directly to the JSE are requested to ensure that their **production systems are shut down** during the weekend to **prevent the receipt and processing of any messages published during the test, or alternatively schedule clean-up activities on your respective systems post the test.**

In addition please note the following:

- End of Day Data subscribers are advised to download their end of day files prior to **08h00** on **Saturday, 15 May 2021**; alternatively, files can be downloaded on **Sunday afternoon, 16 May 2021** from **14h00**.
- Please note that BDA services will be **interrupted** on **Saturday, 15 May 2021** during the following times: **08h00 to 20h00**.

Should you experience any problems over the weekend, please contact the Client Service Centre on the after-hours number **+27 11 520 7900** or **+27 83 611 9315**.
