### UPDATE ON VERSION 7.4 TRADING AND INFORMATION SYSTEM RELEASE

Clients are advised that the go-live date for the version 7.4 Trading and Information system release scheduled for Monday, 18 July 2022 has been postponed. This is due to an issue identified during client testing of the SENS messages in the CTS environment which must be resolved prior to go live to ensure no impact to the service.

The JSE team is busy investigating the matter and will provide an update in due course. We sincerely apologise for any inconvenience this may cause.

For more details pertaining to the release, please refer to the JSE Trading Release Document available on the JSE website under "Next Functional Release" using the following link:
