IDP SECURITY CERTIFICATE EXPIRY – EFFECTIVE 17 NOVEMBER 2023

In line with IT Security best practice, we will be renewing the Information Delivery Portal (IDP) server security certificate. The existing server security certificate is expiring on 23 November 2023.

The new security certificate will be implemented on **Friday, 17 November 2023** at 22:30 SAST before the delivery of the All-Africa Indices and BDA dissemination files.

Post the implementation clients will be required to **accept** the new certificate when accessing the IDP service.

Clients are urged to test connectivity to the IDP service during Saturday, 18 November 2023.

We apologise for any inconvenience this may cause.
