## SERVICE HOTLINE

**REFERENCE NUMBER:** 118/2021

2 June 2021

### INTERNAL TECHNICAL DISASTER RECOVERY TEST FOR 5 AND 6 JUNE 2021

Clients are advised that the JSE will be conducting an internal technical disaster recovery test in the production environment on **5 and 6 June 2021**. During this test the JSE trading and information systems for all markets will be brought up and test data may be published to clients.

**All clients** who connect directly to the JSE are requested to ensure that their **production systems are shut down** during the weekend to **prevent the receipt and processing of any messages published during the test, or alternatively schedule clean-up activities on your respective systems post the test.**

In addition, please note the following:

- End of Day Data subscribers are advised to download their end of day files prior to **08h00** on **Saturday, 5 June 2021**; alternatively, files can be downloaded on **Sunday afternoon, 6 June 2021** from **14h00**.
- Please note that the technical DR will not impact BDA availability on **Saturday, 5 June 2021**.

Should you experience any problems over the weekend, please contact the Client Service Centre on the after-hours number **+27 11 520 7900** or **+27 83 611 9315**.
