VERSION 7.4 TRADING AND INFORMATION SYSTEM RELEASE CONFIRMATION OF GO LIVE MONDAY, 19 SEPTEMBER 2022

Further to [Service Hotline 103/2022](#) issued 15 July 2022, Clients are advised that version 7.4 Trading and Information system release **go live has been confirmed for Monday, 19 September 2022.**

We confirm that all outstanding issues identified during client testing of the SENS messages in the CTS environment have now been resolved to ensure no impact to the service.

The JSE will conduct final testing of this release during the **cut-over weekend on Saturday, 17 September 2022.** During the test we will disseminate a few SENS test announcements to the market via the Real-time Regulatory Gateway. Testing will be conducted between 13h00 and 15h00. A final **GO /NO GO decision** will then be communicated.

For your action: Live Information subscribers wishing to participate in this optional test must reserve a test slot with the Client Service Centre (CSC) team via CustomerSupport@jse.co.za

For more details pertaining to the release, please refer to the JSE Trading Release Document available on the JSE website under "Next Functional Release" using the following link:

<https://clientportal.jse.co.za/technical-library/trading-and-market-data-documentation>

Please refer all API Specification, connectivity and testing related queries or any queries relating to this Service Hotline to CustomerSupport@jse.co.za
