EDM AND FXM REAL-TIME CLEARING (RTC) 1.34 UPGRADE – TRADING MEMBER TESTING IN THE STAGING (ETE) ENVIRONMENT

Further to Service Hotline **040/2021**, kindly be advised the focused trading member testing will take place between 21 and 25 June 2021.

The JSE will facilitate testing on the 22 June and 23 June 2021.

The facilitation will entail the JSE arranging an open MS teams call with trading members to provide immediate support should there be any queries/issues.

Should you wish to participate in the facilitated testing kindly forward your request to keyclients@jse.co.za

Below is a list of suggested items to be tested

Test Item No.	Action	Reference
1	Commission Management – Submit a commission as initiator of an Assign	Test1
2	Commission Management – Submit a commission as initiator of a Tripartite	Test2
3	Commission Management – Submit a commission when executing a trade (OFF screen)	Test3
4	Commission Management – Submit an adhoc commission and Cancel Commission as initiator	Test4
5	Commission Management – Receive commission and Reject Commission	Test5
6	Commission Management – Submit an adhoc Commission with VAT @ Std rate or VAT@ 0%)	Test6
7	Commission Management – Accept pending Commission on Branch and/or main member	Test7
8	Commission Management – Submit a commission as initiator and specify negative commission amount	Test8
9	Update a client's ID number - ID number can only contain 13 digits	Test9
10	When a trade has been deal-managed, edit the reference field	Test10
11	Any additional testing you would like to perform i.e. regression testing, checking your downstream systems etc.	Test11
