## SERVICE HOTLINE

**REFERENCE NUMBER: 130/2022**

15 September 2022

### IDP SECURITY CERTIFICATE EXPIRY – EFFECTIVE 26 NOVEMBER 2022

In line with IT Security best practice, we will be renewing the IPD server security certificate. The existing server security certificate is expiring in January 2023.

The new security certificate will be implemented on Friday, 25 November 2022 at 22:30 SAST before the delivery of the All-Africa Indices and BDA dissemination files.

Post the implementation clients will be required to **accept** the new certificate when accessing the IDP service.

Clients are urged to test connectivity to the IDP service during the course of Saturday, 26 November 2022.

We apologise for any inconvenience this may cause.
