ENHANCEMENT TO SHARIAH INDICES DATA PRODUCTS – 27 OCTOBER 2022

FTSE/JSE will be enhancing the below detailed SHARIAH Indices products, effective on **Thursday, 27 October 2022**.

On this effective date, a new field named “% Weighting FTSE/JSE Shariah Top 40 Index” will be added to both the Fixed Width and CSV formats data products and will display the index weights of the FTSE/JSE Shariah Top 40 Index.

Index Code	Index Name
J140	FTSE/JSE Shariah Top 40 Index

Enhancement to the Fixed Width data product:

- The new field will form part of record type DHC sub type 01 sequence no. 03 and record type DHO Sub Type 11 Sequence No.03.
- The field will be placed at the end of the data record to impose the least impact to client systems.

Enhancement to CSV data products:

A new column Q for the new field will be added to the products with all subsequent columns shifted to the right by 1 for the below csv products.

File Name	File Description
jsacddmm.csv	FTSE/JSE Shariah All Share Index Constituents Service
jsaoddmm.csv	FTSE/JSE Shariah All Share Index Open Constituent Service
jsarddmm.csv	FTSE/JSE Shariah All Share Index Indicative Review Service
