JSE EXCHANGE TEST WEEKEND 4 NOVEMBER 2023

The JSE has planned an Exchange Test Weekend on Saturday, 4 November 2023. This will affect all member firms for JSE EQM, EDM, FXM and Live Information Subscribers to these markets.

As part of the Exchange Test Weekend, the JSE will be performing PTP Time Server failover testing to further enhance the stability and reliability of the PTP service which was migrated to a new PTP time sync devices, you may refer to [Service Hotline 141/2023](#).

The JSE will bring up the Trading System on **Saturday, 4 November 2023**, for the duration of the day. Clients must ensure that their production systems are **shut down** prior to the systems start-up (preferably the evening before the scheduled change), to ensure that they do not receive and process any test data.

The JSE appreciates your co-operation in this regard.
