### REMINDER: RE-PLATFORMING OF MEMBER RANKING REPORTS

The JSE's strategic plan for data product delivery incorporates leveraging modern data technologies, maintaining effective security controls, simplifying the product and licensing landscape, and ensuring equal treatment for all customers. In line with this strategy, we informed subscribers of the Equity Market member ranking reports via [Service Hotline 107/2023](#) of upcoming changes to the way that member ranking reports in the Equity Market can be accessed from 1 January 2024.

The following changes will be effective from 1 January 2024:

- Member ranking reports will no longer be delivered by e-mail.
- The differentiated BIR/BDR/BXR/combo fee structure<sup>1</sup> will be collapsed into a single license option.
- The daily/weekly/monthly subscription option will be collapsed into a single license option.

The delivery of these confidential member ranking reports for the Equity Market will move to the JSE's new Trade Explorer platform, with a new Basic subscription option being introduced to cater for this use case. Any clients with an existing Pro subscription to Trade Explorer will have access to these reports at no additional cost.

All existing subscriptions to Equity Market Member Ranking products will terminate with effect 31 December 2023. Should you want to know more about the JSE Trade Explorer offering or have any queries regarding this Service Hotline, please contact Clayton Sumner at [claytons@jse.co.za](mailto:claytons@jse.co.za)
