JSE Equity Market Trading and Information Technology Change Notification

Further to Market Notice 067 issued 2 July 2010 and as per the feedback provided at the JSE Market Communication session held on 25 August 2010, the JSE has been working on a revised project approach for the Equity Market Trading Technology replacement.

The JSE retracts the formal notice issued 2 July 2010 relating to the Equity Market Trading Technology change notification.

As a result of the deferred implementation, the JSE has made a decision that the trading solution will be relocated to Johannesburg as part of the revised approach. The JSE is still considering the timeline and which technology should be implemented in Johannesburg.

The JSE will continue to provide updated status as and when information becomes available. Please refer any queries with regards to this notice to Sandra Borrageiro on +27 (11) 520 7384 or SandraB@jse.co.za.

Thank you for your co-operation in this regard.
