Subject: BOND CCP & NUTRON REPO REPORTING REFORM PROJECT UPDATE

Name and Surname: Matthias Kempgen

Designation: JSE Clear: CIO/COO

Dear Client

JSE Clear would like to advise all market participants that the implementation date for the Bond CCP & Nutron Repo Reporting Reform project has been revised from **21 November 2026** to **07 November 2026**.

This decision follows a review of the implementation schedule and feedback received from market participants. Market participants indicated that the previously planned go-live date of 21 November 2026 was in close proximity to year-end change freeze periods observed by many organisations.

To support a smoother implementation and reduce scheduling conflicts, JSE Clear has amended the go-live date to **07 November 2026**.

Non-Executive Directors: H Nelson[†] (Chairman), M Chetty[†], TW Spanner[†], K van Rensburg, M Randall
