Dear Client

The JSE is proud to introduce a new TBI Actively Managed ETF (TBIMAI)

The **TBI Actively Managed ETF (TBIMAI)** references the **TBI Global Multi-Asset Income Fund a sub-fund of the Prescient Global Funds ICAV**. It is an actively managed portfolio that will, apart from assets in liquid form, invest primarily through global collective investment schemes (and / or directly) in a diversified portfolio of predominantly defensive assets, such as government fixed income securities and investment grade corporate fixed income securities. The Fund will also allocate limited exposure to growth assets such as equities, high yield fixed income securities, emerging market fixed income securities as well as real assets.
