Dear Client

The JSE is proud to introduce the Satrix Income Actively Managed ETF (STXINC)

The **Satrix Income Actively Managed ETF (STXINC)** seeks to deliver high levels of income and maximise returns by actively positioning the portfolio's income yielding securities depending on the investment manager's view of interest rate cycles.

Securities to be included are predominantly assets in liquid form, fixed interest securities, preference shares, and other non-equity securities. The portfolio may also have limited exposure to equities and property securities as per the ASISA fund category.
