Dear Client

We have received a written submission from AFGRI Agri Services (Pty) Ltd (Registration Number 1995/005872/06) informing us of their intention to deregister Holfontein as a JSE-registered grain delivery point. This will be a phased in approach considering that the site is registered for number of commodities.

Any outstanding JSE silo certificates will be managed effectively and participants who want to manage their positions should use alternative delivery points going forward. Please could market participants carefully consider the above request and should there be any concerns regarding this deregistration, please email these to commodities@jse.co.za by no later than **29 February 2024**.

If no objections are received, we will deregister Holfontein on 29 February before the new marketing season kicks in for Soybeans. The site will be deregistered for Maize effective 30 April 2024 and 30 September 2024 for Wheat. We will then publish a final market notice confirming final deregistration.

Should you have any queries regarding this Market Notice, please e-mail: commodities@jse.co.za
