SUBJECT: SOYA BEANS STANDARD STORAGE RATE AND PRELIMINARY DELIVERY POINTS FOR THE
2020-21 MARKETING SEASON

Name and Surname: Raphael Karuaihe
Designation: Head - Commodities

Dear Market Participant,

1. Standard storage rate for soya beans

The standard storage rate for marketing season 1 March 2020 – 28 February 2021, will be increased based on the PPI rate as published in December 2019, namely 2.3%. The standard storage rate applied to outstanding storage in completion of a futures contract will increase to **R0.86 per ton per day**.

Please ensure that when making delivery of JSE silo receipts issued in the previous marketing season, all storage is paid up to and including 29 February 2020. Failure to comply means the storage operator reserves the right to apply a 10% penalty to the total outstanding storage amount as per the JSE Rules.

2. Preliminary registered delivery points

Please note that the attached 178 SOYA delivery points are registered for the 2020-21 marketing season, all on par since no single reference point exists for the futures contract.

Should you have any queries please contact Commodities team on 011 520 7039 or e-mail commodities@jse.co.za
