Dear Client

The JSE is proud to introduce two new Satrix Feeder ETFs

1. The **Satrix MSCI Japan Feeder ETF (STXJPN)** seeks to track the performance of the MSCI Japan Net Total Return Index, which offers investors access to large- and mid-cap segments of the Japanese equity market with a single fund. seeks to deliver high levels of income and maximise returns by actively positioning the portfolio's income yielding securities depending on the investment manager's view of interest rate cycles.
2. The **Satrix Stoxx Europe 600 Feeder ETF (STXEUR)** seeks to track the performance of the Stoxx Europe 600 Net Total Return Index, which offers investors access to 600 most liquid large-, mid-, and small-cap stocks across developed European markets (including the UK, and major continental European markets such as France, Germany, Switzerland and others) with a single fund.
