Dear JSE Stakeholder

MARKET NOTICE

Given the current market conditions and the need to respond to market moves and volatility timeously, the JSE is updating initial margin requirements daily.

All margins will be published whether they are increased or not whenever there is an update with the date of the implementation in the file name. An extra column has been added at the end of the EDM IM parameters file called "Pre-Update IMR" that reflects the IMR before the update.

The initial margin parameters to be implemented today can be found at these directories:

- APD <u>https://www.jse.co.za/downloadable-files?RequestNode=/Initial Margin Parameter Data/Official</u> <u>Initial Margin Parameters/APD</u> Please take note that there are increases in IMR on GOLD and PALL expiries only.
- EDM <u>https://www.jse.co.za/downloadable-files?RequestNode=/Initial Margin Parameter Data/Official</u> Initial Margin Parameters/EDM

For any queries regarding the location of the files containing these parameters, please contact the Client Service Centre (CSC) on +27 11 520 7777 or CustomerSupport@jse.co.za
