SUBJECT: APPLICATION BY GWK FOR ADDITIONAL MAIZE DELIVERY POINTS

Name and Surname: Raphael Karuaihe
Designation: Head - Commodities

Dear Stakeholder,

The JSE has received an application from GWK LIMITED (GWK) (Registration Number 1997/022252/06) to register the following maize delivery points, effective **1 May 2019**.

Storage Point	GPS Coordinates	Rail Siding #	Closest main road	Capacity (tons)	Distance to Randfontein (Km)	Location Differentials
Prieska	S 29°40'56.15 E 22°45'09.78	244139	R57	50 000	689	-R475
Stoffelshoek Bunker	S 29°32'5.47 E 23°58'44.54	N/A	N12	10 000	585	-R399
Trans Oranje	S 29°39'55.08 E 24°12'21.40	261874	N12	10 000	590	-R407

These are all registered storage sites for wheat erected in the Northern Cape.

You will recall that when the market initially objected to GWK application for wheat delivery points, GWK has submitted a written commitment where they had addressed all of the concerns raised as follows:

1. GWK has undertaken not to deregister any of the above locations for at least 3 years.
2. All market participants regardless of status wishing to be issued with a JSE silo certificate will enjoy free access to deliver into or receive delivery from any of the JSE-registered silos.

It is on the same basis that we are asking the market to consider this application.

Should there be any further concerns regarding their inclusion as registered maize delivery points please email these to commodities@jse.co.za **no later than Friday, 17 May 2019**. We will then publish a final market notice confirming the outcome of the application.
