Name and Surname: Anelisa Matutu

Designation: Head - Commodities

Dear Client

We refer to Market Notice [113A/2026](#) and [113B/2026](#) of 26 March 2026 in which we published the Proposed Maize Location Differentials for the 2026/27 marketing season.

Post reviewing feedback on the Proposed Location Differentials for the delivery points below, the JSE proposes the following amendments:

	Current Diff	Amended Diff
De Hoop Bunker (NWK)	389	401
Katboschfontein Bunker (NWK)	366	393
Goedgedacht (CFC)	425	389

The NWK amendments were necessary to align the location differential of the two sites to that of sites along the route. The Cofco adjustment was a result of a distance amendment from 333 to 270 km as the JSE considers the shortest route to Randfontein.

Please review the proposed amendments and respond to commodities@jse.co.za by no later than close of business on Friday, 17 April 2026.
