Date: 06 June 2025

SUBJECT: REMINDER – Currency Derivatives Quarterly Close-Out 13 June 2025 - 16H00

Name and Surname: Thembi Mda-Maluleka

Designation: Head - Interest Rates and Currency Derivatives

Dear Client,

This serves as a reminder of the upcoming Currency Derivatives quarterly close-out taking place on Friday, 13 June 2025 at 16h00.

Clients are reminded to roll their positions unless they intend for their positions to be closed out on the day. Please be sure to use the correct system functionality, by booking an RT trade type (i.e., Roll Trade) or a Calendar Spread when rolling positions to the next expiry date and not to use the NT trade type, Negotiated Trade. Only the RT or Calendar Spread trade types will qualify for a 50% booking fee discount per leg. NT trades will be charged in full per leg.

On the quarterly close-out day, the administration period for the Currency Derivatives Market will be extended from 18h30 to 19h00 to facilitate post-trade activities. As a result, FXM End-of-Day (EOD) processes are expected to be complete at/or around 20h00 and all EOD files will be available thereafter.

The close out rates will be published shortly after 16h00 on the following link [Quarterly Close Out Prices](#)
