Dear Client,

The JSE is proud to introduce two new UBS Actively Managed Certificates (AMCs)

The AMCs are linked to the performance of the following portfolios:

1. The **Denker Global Opportunities Portfolio (DNKGLO)** whose investment strategy aims to deliver attractive real returns to investors in the medium to long-term by investing in the equity of small and medium sized companies, predominantly based in global developed markets, which trade at attractive valuations relative to their long-term intrinsic value.
2. The **PMW Balanced Portfolio (MRPWMB)** whose strategy aims to deliver a CPI +3% return. The manager is committed to managing a balanced investment mandate, through a strategic mix of bonds, stocks, and ETFs.
